

Image Guidelines

4 product images

- ✓ W × H min. 3000 × 2000 px (6 megapixels) up to max. 4000 × 3000 px (12 megapixels)
- ✓ Ensure that at least one picture is free from baked-in logos and text placed outside of device screens (see image)
- ✓ Preferably use a light grey background instead of a white one
- ✓ Avoid collages, rather provide images separately
- ✓ Avoid very wide aspect ratios. 3:2 is preferred (landscape)
- ✓ If possible, please include at least one image of your product showing how it could be used, eg. with people in it.
